Sir:

This is in response to the Office Action mailed July 12, 2002. Enclosed is a substitute paper copy and computer readable form of the "Sequence Listing." A copy of the Patent Office Notice is returned herewith.

This submission does not constitute new matter and is supported in the application as filed. To the best of my information and belief, the sequence listing information recorded in computer-readable form is identical to the paper copy of the sequence listing.

Please charge any fees concerning this matter or credit any overpayment to our Deposit Account No. 15-0508.

Respectfully submitted,

Dated: August 8, 2002
